NEW WORLD Westport

Covid and Sickness

Covid is still raising its head around kura with both Staff and Children being affected.

Along with other usual winter bugs, please keep your children at home if they are unwell, no matter how small it may seem.

Most winter illnesses are very easily spread amongst children who in turn pass it to staff.

If children do come to kura unwell, please expect a phone call home.

To keep our kura open in the coming months, we need to try to keep as bug free as possible. Please also remember there is a 48 hour stand down from school if your child/ren have been vomiting and/or have had diarrhoea.

FRIENDS OF NORTH SCHOOL AGM

7pm - Monday 12 June
WNS Staff Room

All welcome!

Feel free to come along to our Annual General Meeting. You'll hear about the fundraising and activities FONS have been up to over the last year. This is open to anyone from the school community. We'll have drinks and nibbles to share and there's always a good laugh.
