

PB4L Purpose Statement

Links to our Quality Learning Environment statement in School Mission Statement and also the Quality Learning Environment matrix in our school Curriculum Folder.

School wide systems to support each.
Development of specific/agreed behaviours.
Identifiable / measurable / reviewable

"Through modelling, teaching & rewarding positive behaviours we provide a quality environment where the school community is focused on developing North Stars."

North Star Awards available for; students, parents, teachers.
Rewards available within community also.

Ensuring that the systems / procedures we put in place are 'transferrable' to whānau & wider community – all contexts where our students are.
